Important info:

- If you are eligible for UC, you will receive two approval letters and a four-digit PIN
- Your PIN will arrive in the U.S. mail – keep it in a safe, easy to remember place
- If approved, your first benefit payment should arrive within four weeks of filing for UC
- Continue filing your bi-weekly claim (every two weeks) – even while waiting for approval

WORKERS' COMPENSATION (WC) BENEFITS

Two filing options:

- If you believe you may have been exposed to COVID-19 in your workplace, you may be eligible for Workers' Compensation (WC) by either:
 - Notifying your employer to file a typical "disease-as-injury" WC claim, which requires you to provide medical evidence that you were exposed to COVID-19 in the workplace
 - Notifying your employer to file an "occupational disease" WC claim, which requires you to show that COVID-19 is occurring more in your occupation/industry than in the general population

Claims:

- All WC claims (including COVID-19) are thoroughly reviewed, and decisions are made based on the facts and merits of each claim and the law
- If your COVID-19 claim is denied, you may file a petition with the WC [Office of Adjudication](#)
